

The mission of the Business, Consumer Services, and Housing Agency is to assist and educate consumers regarding the licensing, regulation, and enforcement of professionals and businesses in California. The Governor's Reorganization Plan No. 2 of 2012 provided for the consolidation of entities that license industries, business activities, and professionals. This consolidation will improve service, consistency and efficiency by facilitating shared administrative functions and expertise in areas such as automated systems, investigative practices, and licensing and legal processes. The Agency also provides a central location for the public to find information about entities regulating the businesses and professionals with whom they come into direct contact. The Agency is comprised of the Department of Consumer Affairs, the Department of Housing and Community Development, the Department of Fair Employment and Housing, the Department of Business Oversight, the Department of Alcoholic Beverage Control, the Alcoholic Beverage Control Appeals Board, the California Horse Racing Board, and the Alfred E. Alquist Seismic Safety Commission.

## 1110 Department of Consumer Affairs Regulatory Boards

Effective July 1, 2013, pursuant to the Governor's Reorganization Plan No. 2 of 2012, the 2013-14 budget information for the Board functions within the Structural Pest Control Board, and the 2013-14 information for the Board of Chiropractic Examiners are merging with this Department. 2011-12 and 2012-13 budget information for the Board functions within the Structural Pest Control Board are displayed in Organization Code 3930 within the Environmental Protection Agency. 2011-12 and 2012-13 budget information for the Board of Chiropractic Examiners is displayed in Organization Code 8500 within General Government. The Department of Consumer Affairs Regulatory Boards was previously displayed within the State and Consumer Services Agency.

The Department of Consumer Affairs (DCA) is responsible for promoting and protecting the interests of millions of California consumers by serving as a guardian and advocate for their health, safety, and economic well-being and by promoting legal and ethical standards of professional conduct. The Department helps to promote good business practices and to ensure that California's consumers receive quality services by establishing minimal competency standards for approximately 250 classifications involving approximately 3 million professionals. The Department is also an important advocate on consumer and business issues. In general, the DCA's Boards and Bureaus provide exams and licensing, enforcement, complaint mediation, and education for consumers.

There are currently 26 boards, a commission, and two committees under the broad authority of the DCA.

Additional information on the Department, and the various boards and bureaus, is available at www.dca.ca.gov.

### **Department of Consumer Affairs Performance Based Budgeting**

The Department of Consumer Affairs (DCA) oversees a wide variety of autonomous Boards and Bureaus that certify, register, and license individuals and entities that provide goods and/or services in the state. The overall purpose of the DCA is to promote a fair and competitive marketplace in which consumers are protected. The DCA provides consumers and licensees with valuable information and training and processes and mediates complaints. When appropriate, cases are referred to the Attorney General's office or law enforcement authorities for administrative action, civil and/or criminal prosecution.

### **Background**

Executive Order B-13-11 requires the Department of Finance (DOF) to work in conjunction with various departments to utilize performance-based budgeting to increase efficiency and focus on accomplishing program goals. As a result, the DCA has identified a variety of ways to measure enforcement efforts for all Boards and Bureaus. Performance-based budgeting provides the DCA the flexibility to manage its resources based on fluctuating program demand.

### **Performance Measures**

To ensure stakeholders can review the progress of DCA's Boards and Bureaus in meeting their enforcement goals and targets, DCA has developed a transparent system of performance measurements. These measures are critical, particularly during the current climate of budget constraints, for demonstrating that DCA is making and will continue to make the most efficient and effective use possible of its resources. These measures are posted publicly to the Department website on a quarterly basis.

The DCA will assess enforcement needs based on the following criteria:

- Intake Cycle Time Average number of days from receipt of the complaint to the date the complaint was assigned for investigation.
- Investigation Cases Average number of days from receipt of the complaint to closure of the investigation process. Does not include cases resulting in formal discipline.
- Formal Discipline Cases Average cycle time to complete the entire enforcement process for those cases closed by the Attorney General's office after referral by the program.

  This measure does not include declined, withdrawn or dismissed cases.

Information for this special display was compiled using a variety of sources. The Consumer Affairs System (CAS) was the primary source for collecting program data, however some Boards and Bureaus do not utilize CAS because of their size or reporting requirements, so data for these programs was obtained through non-standardized reporting systems. Further, target numbers shown in this display are based on the Quarterly Performance Measures Report and each Board and Bureau has mandates and functions which can be significantly different. Using this data to compare the cycle time of Boards and Bureaus may not accurately capture unique aspects of individual programs. Additionally, the data identified in this display may not match the performance data in the DCA Annual Report or the Quarterly Performance Measures Report based on the method in which the data was collected.

## **Department of Consumer Affairs Performance Based Budgeting**

The following budget display represents a snapshot of existing enforcement efforts of the Boards and Bureaus within the DCA. This information will act as a baseline of enforcement performance and will allow for the tracking of future performance.

### 1111 Department of Consumer Affairs Bureaus, Programs, Divisions

Effective July 1, 2013, pursuant to the Governor's Reorganization Plan No. 2 of 2012, the 2013-14 information for the Office of Real Estate Appraisers and the Department of Real Estate is merging with this Department. 2011-12 and 2012-13 information for the Office of Real Estate Appraisers and the Department of Real Estate is displayed in Organization Codes 2310 and 2320, respectively, under this new Agency (Business, Consumer Services, and Housing). The Department of Consumer Affairs Bureaus, Programs, Divisions was previously displayed within the State and Consumer Services Agency. See Major Program Changes below.

The Department of Consumer Affairs (DCA) is responsible for promoting and protecting the interests of millions of California consumers by serving as a guardian and advocate for their health, safety, and economic well-being and by promoting legal and ethical standards of professional conduct. The Department helps to promote good business practices and to ensure that California's consumers receive quality services by establishing minimal competency standards for approximately 250 classifications involving approximately 3 million professionals. The Department is also an important advocate on consumer and business issues. In general, the DCA's Boards and Bureaus provide exams and licensing, enforcement, complaint resolution, and education for consumers.

In addition, centralized services are provided by the DCA for efficiency. Specifically, DCA staff investigate complaints against licensees; develop valid examinations for applicants for licensure; monitor and advocate for legislation; provide consumer education and outreach; provide legal and audit services; and provide general administrative support involving personnel, budgeting, accounting, purchasing, and space management.

There are currently nine bureaus and one certification program under the direct oversight of the DCA.

Additional information on the Department, and the various boards and bureaus, is available at www.dca.ca.gov.

### **PROGRAM DESCRIPTIONS**

### 23 - ARBITRATION CERTIFICATION PROGRAM

The Arbitration Certification Program certifies and monitors arbitration programs offered by new car manufacturers to ensure that they substantially comply with state and federal regulations.

### 25 - BUREAU OF SECURITY AND INVESTIGATIVE SERVICES

The Bureau of Security and Investigative Services ensures that only those who meet the prescribed qualifications to offer services as private investigators, repossessors, uniformed security guards, private patrol operators, proprietary private security officers, alarm company operators, alarm agents, locksmiths, and firearm and baton training facilities be licensed; and enforces the regulations established by legislation for such licenses.

### 27 - BUREAU FOR PRIVATE POSTSECONDARY EDUCATION

<sup>\*</sup> Dollars in thousands, except in Salary Range.

The Bureau for Private Postsecondary Education oversees and approves private postsecondary degree-granting institutions to ensure they meet specified minimum statutory standards concerning the quality of education, ethical and business practices, health and safety, and fiscal responsibility. The Bureau responds to student complaints and oversees a fund designed to help reimburse a student's tuition if a school closes unexpectedly.

### 28 - BUREAU OF ELECTRONIC AND APPLIANCE REPAIR, HOME FURNISHINGS, AND THERMAL INSULATION

The Bureau of Electronic and Applicance Repair, Home Furnishing, and Thermal Insulation registers and regulates all businesses engaged in major home appliance and electronic equipment repair by imposing specific obligations of ethical conduct, honesty, and full and fair disclosure, providing certain safeguards to consumers when they need repair services or enter into service contract transactions, and ridding the repair industry of unscrupulous repair dealers and service contractors. The Bureau also regulates the manufacture, distribution, and sale of upholstered furniture, bedding, and thermal insulation products sold in California to ensure they meet health, safety, and flammability standards.

### 31 - BUREAU OF AUTOMOTIVE REPAIR

The Bureau of Automotive Repair is responsible for regulating the automotive repair marketplace and administering the Smog Check Program. To carry out its mandate, the Bureau educates consumers, disciplines stations and technicians, seeks resolution to complaints, and licenses individuals and businesses. The Bureau also administers the nation's largest motor vehicle emissions reduction program. To help in its clean air efforts, the Bureau also administers the Consumer Assistance Program (CAP). Through CAP, consumers who own a vehicle that fails a biennial inspection and who meet certain eligibility requirements can receive financial assistance for emissions-related repairs. Further, consumers can receive a financial incentive to retire their unwanted vehicle at any time for any reason. The Bureau, in cooperation with the California Air Resources Board, also administers a voucher program that offers eligible consumers additional compensation toward the purchase of lower-emitting vehicles or transportation passes after they retire their vehicle through CAP.

#### 35 - CONSUMER AFFAIRS ADMINISTRATION

### 35.10.025 - DIVISION OF INVESTIGATION

The Division of Investigation is vested with the statutory authority to investigate and enforce the laws administered by the client agencies within the Department to protect the health, safety, and welfare of consumers. The Division employs sworn, armed peace officers to provide objective, timely, and cost-effective investigative services for its client agencies.

### 35.10.035 - CONSUMER AND CLIENT SERVICES DIVISION

The Consumer and Client Services Division is comprised of:

The Administrative and Information Services Division serves to maximize the efficiency and effectiveness in the delivery of services, ensure proper oversight and accountability, and minimize duplication of effort. The Department centralizes several functions that support the administration and implementation of the goals of the regulatory boards and bureaus such as: policy direction, legal assistance, review of legislation, examination validation and assistance, information technology, accounting, budgets, personnel, and other administrative functions.

The Office of Public Affairs serves as the primary press office for the Department and is the primary developer of consumer alerts, fact sheets, and internet postings designed to raise awareness of consumer issues among consumers, the news media, and other stakeholders.

The Program and Consumer Services Division (PCSD), through its toll-free number, operates a call center that assists consumers and licensees by distributing publications and applications for licensure and providing referals to other consumer resources; responds to written correspondence; informs consumers about marketplace trends; and represents consumer interests at local, state, and federal levels. Additionally, PCSD resolves consumer complaints against licensees and registrants regulated by the bureaus of the Department.

### 37 - TELEPHONE MEDICAL ADVICE SERVICES BUREAU

The Telephone Medical Advice Services Bureau is responsible for regulating businesses that provide medical advice by telephone to California residents. The Bureau ensures that providers of telephone medical advice are qualified licensed health-care professionals, informs patients of their rights, and pursues any reported harmful activities.

### 38 - CEMETERY AND FUNERAL BUREAU

The Cemetery and Funeral Bureau ensures that only qualified applicants receive licenses to operate cemeteries, crematories or funeral establishments, or act as funeral directors, embalmers, apprentice embalmers, cremated remains disposers, cemetery managers, crematory managers, cemetery brokers, or salespeople. The Bureau also ensures that licensees comply with applicable rules and regulations concerning the management of trust funds, permanence of mausoleums and columbariums, and the proper handling of human remains.

### 41 - BUREAU OF REAL ESTATE APPRAISERS

The Bureau of Real Estate Appraisers ensures that only qualified persons are licensed to conduct appraisals in federally regulated real estate loan transactions and that all real estate appraisers licensed by the state and all appraisal management companies registered by the state adhere to applicable laws, regulations, and standards.

### 42 - BUREAU OF REAL ESTATE

<sup>\*</sup> Dollars in thousands, except in Salary Range.

The Bureau of Real estate ensures that individuals who wish to engage in real estate business and act in the capacity of, or advertise as, a real estate broker or salesperson within California meet specified qualifications and ensures licensees meet minimum education standards and requirements. The Bureau investigates the actions of any person acting in the capacity of a real estate licensee, performs financial compliance audits of licensees and subdividers, administratively prosecutes violations of the Real Estate Law and Subdivided Lands Law, and provides victims of real estate fraud with financial recovery per limitations set by statute. The Bureau protects the public against fraud and misrepresentation in the sale or lease of subdivided land through the issuance of public reports which disclose vital information to prospective purchasers of subdivision interests.

### 89 - PROFESSIONAL FIDUCIARIES BUREAU

The Professional Fiduciaries Bureau, established pursuant to Chapter 491, Statutes of 2006, implements and enforces the Professional Fiduciaries Act by licensing and regulating individuals who act as professional fiduciaries in California. The Bureau protects against fraud and abuse by those who are charged with the care of California's most vulnerable residents by ensuring that minimum competency standards are met by establishing educational and experience requirements, conducting examinations, investigating violations of professional ethics and law, and disciplining licensees when appropriate.

## 2240 Department of Housing and Community Development

Effective July 1, 2013, pursuant to the Governor's Reorganization Plan No. 2 of 2012, the 2013-14 information for the California Housing Finance Agency is merging with this Department. 2011-12 and 2012-13 budget information for the California Housing Finance Agency is displayed in Organization Code 2260 under this new Agency (Business, Consumer Services, and Housing). The Department of Housing and Community Development was previously reported within the Business, Transportation, and Housing Agency.

The mission of the Department of Housing and Community Development (HCD) is to preserve and expand safe and affordable housing opportunities and promote strong communities for all Californians. The HCD: (1) administers housing finance, economic development and community development programs; (2) develops housing policy and advocates for an adequate housing supply; and (3) develops building codes and regulates manufactured homes and mobilehome parks. The HCD also provides technical and financial assistance to local agencies to support housing development.

The mission of California Housing Finance Agency (CalHFA), which was statutorily chartered in 1975 to be the State's affordable housing bank, is to create and finance progressive housing solutions so more Californians have a place to call home. The agency is financially self-supporting, setting loan interest rates slightly above its cost and charging fees to cover its lending costs and risks. The agency has \$11 billion in assets that are comprised mainly of loan receivables and investments related to bond proceeds. Each year, the agency produces an annual report by November 1 and is audited by independent outside auditors. The annual report and audited financial statements outline the lending activity and services provided by the agency and the financial results of those activities. These reports can be viewed using the following link: http://www.calhfa.ca.gov/about/financials/reports/index.htm

Each spring, the CalHFA Board adopts an updated business plan and annual budget. The informational budget presented here for Program 40 reflects the CalHFA's best estimate of the proposed budget for fiscal year 2013-14. As a Public Enterprise Funded entity, CalHFA support comes from revenue bonds and is not supported by the full faith, credit or taxing power of the State of California. The CalHFA continues to administer single and multifamily housing lending programs financed with revenue bond proceeds, and a number of down payment assistance programs from Proposition 46 and 1C general obligation bond proceeds.

#### PROGRAM DESCRIPTIONS

#### 10 - CODES AND STANDARDS PROGRAM

The objective of this program is to protect the public's health, safety, and general welfare in buildings and structures designed for human occupancy through the enforcement of the relevant provisions of the California Health and Safety Code, including the State Housing Law, Employee Housing Act, Mobilehome Parks Act, Special Occupancy Parks Act, California Factory-Built Housing Law, and the Mobilehome-Manufactured Housing Act of 1980. The program also enforces federal and state standards for the construction, safety, sales, and titling of manufactured homes, mobilehomes, and commercial modulars.

The program also promotes economic and job development through administration of the state Enterprise Zone Program and federal Community Development Block Grant Program.

#### 30 - HOUSING POLICY DEVELOPMENT PROGRAM

## 2260 California Housing Finance Agency

Effective July 1, 2013, pursuant to the Governor's Reorganization Plan No. 2 of 2012, the 2013-14 information for the California Housing Finance Agency is merging with the Department of Housing and Community Development (Organization Code 2240), which is moving to this Agency (Business, Consumer Services, and Housing). The California Housing Finance Agency was previously reported within the Business, Transportation, and Housing Agency.

The mission of the California Housing Finance Agency, which was statutorily chartered in 1975 to be the State's affordable housing bank, is to create safe, decent, and affordable rental housing and to assist first-time homebuyers in achieving the dream of home ownership by providing affordable first and secondary mortgage loans and mortgage insurance. The agency is financially self-supporting, setting loan interest rates slightly above its cost and charging fees for specific services to cover its lending costs and risks.

The agency has \$11 billion in assets that are comprised mainly of loan receivables and investments related to bond proceeds. Each year, the agency produces an annual report by November 1st and is audited by independent outside auditors. The annual report and audited financial statements outline the lending activity and services provided by the agency and the financial results of those activities. These reports can be viewed using the following link: http://www.calhfa.ca.gov/about/financials/reports/index.htm

The California Housing Finance Agency's (CalHFA) funding is not subject to Budget Act appropriation. This budget display is for informational purposes only. Each spring, the CalHFA Board adopts an updated business plan and annual budget. The informational budget presented here reflects the Agency's best estimate of the proposed budget for fiscal year 2013-14. As a Public Enterprise Funded entity, CalHFA support comes from revenue bonds and is not supported by the full faith, credit or taxing power of the State of California. CalHFA continues to administer single and multifamily housing lending programs financed with revenue bond proceeds, and a number of down payment assistance programs from Proposition 46 and Proposition 1C general obligation bond proceeds.

#### PROGRAM DESCRIPTIONS

#### 10 - LENDING ACTIVITY

The objective of this program is to finance housing at affordable interest rates, using the proceeds of tax-exempt and taxable revenue bonds to make: (1) mortgage loans to qualified first-time homebuyers to finance the purchase of single family homes, (2) permanent loans for the creation and preservation of multifamily housing projects, and (3) special needs housing loans to facilitate the construction, rehabilitation and acquisition of housing needed to serve special needs populations.

#### 20 - INSURANCE ACTIVITY

The objective of the Mortgage Insurance Services Division is to encourage the preservation of existing housing and improve new housing opportunities by offering mortgage insurance products to homebuyers who might not qualify for traditional lending programs. The program provides primary mortgage insurance at favorable rates by working with participating lenders, government agencies, government-sponsored enterprises, and the secondary mortgage market to develop and offer innovative homebuyer lending and mortgage insurance programs. The Mortgage Insurance Services, however, is not writing new policies at this time, but it is administering existing policies, managing premium revenue from those policies and administering claims.
