

### 3835 Baldwin Hills Conservancy

The Baldwin Hills Conservancy was established in 2000 to acquire open space and manage public lands within the Baldwin Hills area and to provide recreation, restoration, and protection of wildlife habitat for the public's enjoyment and educational experience.

Specific agency responsibilities are to:

- Approve the Baldwin Hills Park Master Plan
- Prioritize and implement acquisition of additional recreational and open space land for the expansion of Kenneth Hahn State Recreation Area
- Conduct the necessary planning activities for the area
- Develop and coordinate a program of resource stewardship for optimum recreational and natural resource value based on the needs of the surrounding community
- Provide for the public's enjoyment, and to enhance the recreational and educational experience on public lands in a manner consistent with the protection of lands and resources in the area

Since department programs drive the need for infrastructure investment, each department has a related capital outlay program to support this need. For the specifics on the Baldwin Hills Conservancy's Capital Outlay Program, see 'Infrastructure Overview.'

**INFRASTRUCTURE OVERVIEW**

Since its inception, the Conservancy's acquisition program has resulted in a 33 percent increase in public lands for the expansion of Kenneth Hahn State Recreation Area. Capital outlay projects are focused on public access, trails, habitat restoration, environmental awareness and parkland connectivity. The Conservancy's territory includes a total of 1,427 acres of open space, the largest swath of contiguous unpaved land in the entire 127 square-mile Ballona Creek Watershed of Los Angeles County. Approximately 768 acres are currently protected. The Master Plan calls for the acquisition and development of existing park land as well as the remaining balance of privately held open space to implement the community-based vision for a two square-mile urban park and natural recreation area.
