MAJOR PROGRAM CHANGES

- Continuum of Care Reform - The Budget includes \$127.3 million General Fund in 2016-17 to continue the implementation of the Continuum of Care reforms contained in Chapter 773, Statutes of 2015 (AB 403). The reforms emphasize home-based family care, improved access to services without having to change out-of-home placements to get those services, and an increased role of children, youth, and families in assessment and case planning. The measure establishes a core practice model to govern all services, whether delivered by a county or licensed provider organization, and provides currently required medically necessary mental health services to children regardless of their placement setting.
- Restoration of IHSS 7-Percent Across-the-Board Reduction - The Budget includes \$265.8 million General Fund in 2016-17 to reflect restoration of the 7-percent reduction to IHSS. The restoration remains in effect during the duration of the managed care organization tax, which is scheduled to expire on June 30, 2019.
- IHSS Overtime - The Budget includes \$437.3 million General Fund in 2016-17 to reflect costs associated with implementing federal requirements regarding overtime. Exemptions from state limits on overtime usage will be available for live-in family care providers who, as of January 31, 2016, reside in the home of two or more disabled minor or adult children or grandchildren for whom they provide services. A second type of exemption will be considered for recipients with extraordinary circumstances and granted on a case-by-case basis. Under either exemption, the maximum number of hours a provider may work cannot exceed 360 hours per month.
- CalWORKs Grant Increase - The Budget reflects a 1.4-percent increase to CalWORKs grants, effective October 1, 2016, which is estimated to cost \$35.4 million in 2016-17 and \$47 million in 2017-18. These increased grant costs are funded entirely by the Child Poverty and Family Supplemental Support Subaccount of the Local Revenue Fund.
- CalWORKs Maximum Family Grant Repeal - The Budget includes \$95.1 million General Fund in 2016-17, \$152.3 million General Fund in 2017-18, and \$72.3 million in 2018-19 to reflect increased grant costs resulting from the repeal of the CalWORKs maximum family grant rule, effective January 1, 2017. Beginning in 2019-20, the increased grant costs associated with this policy change will be funded entirely by the Child Poverty and Family Supplemental Support Subaccount of the Local Revenue Fund.
- CalWORKs Housing Support - The Budget includes an increase of \$12 million General Fund, for a total of \$47 million General Fund in 2016-17, for the Housing Support Program, which provides assistance to eligible families who are homeless or at risk of homelessness.
- CalWORKs Homeless Assistance - The Budget includes an increase of \$2.4 million General Fund in 2016-17 and \$2.7 million General Fund annually thereafter to reflect elimination of the once-in-a-lifetime restriction on receipt of temporary and permanent homeless assistance and instead make this assistance available once every 12 months, effective January 1, 2017.
- Supplemental Security Income Outreach - The Budget includes one-time funding of \$45 million General Fund to establish a county matching grant program designed to provide outreach to homeless persons with disabilities who may be eligible for disability benefits programs.
- State Supplementary Payment Cost-of-Living-Adjustment - The Budget includes increases of \$36.5 million General Fund in 2016-17 and \$74.8 million General Fund in 2017-18 to reflect a 2.76-percent increase to the State Supplementary Payment portion of the Supplemental Security Income/State Supplementary Payment grant, effective January 1, 2017.
- Bringing Families Home - The Budget includes one-time funding of \$10 million General Fund to establish a county matching grant program focused on reducing homelessness among families who are part of the child welfare system.
- Services for Commercially Sexually Exploited Children - The Budget includes an augmentation of \$5 million General Fund beginning in 2016-17, for a total of \$19 million General Fund, to support local efforts associated with the prevention, intervention, case management, and training needs related to children who are or at-risk of being victims of commercial sexual exploitation.
- Parenting Foster Youth Infant Care Supplement - The Budget includes \$4 million General Fund beginning in 2016-17 to increase the monthly infant care supplement payment by \$489 for foster youth who reside with his or her dependent child.
- Chafee Education and Training Vouchers for Foster Youth - The Budget includes an augmentation of \$3 million General Fund beginning in 2016-17 to increase the number of education and training voucher grant awards provided to eligible youth in foster care.

- Adult Protective Services - The Budget includes a one-time augmentation of \$3 million General Fund in 2016-17 to expand Adult Protective Services training for county social workers.

- State Emergency Food Assistance Program - The Budget includes a one-time appropriation of \$2 million General Fund in 2016-17 to purchase and distribute food to needy households.
- Federal Immigration Assistance - The Budget includes a one-time augmentation of \$15 million General Fund, for a total of \$30 million General Fund in 2016-17, to provide immigration assistance, including legal and naturalization services, to immigrant communities.
- Minimum Wage Increase - An increase in IHSS expenditures of \$18.4 million General Fund and a decrease in CalWORKs expenditures of \$6 million General Fund to reflect the impact of the 50-cent increase in the state minimum hourly wage, effective January 1, 2017, pursuant to Chapter 4, Statutes of 2016 (SB 3).

PROGRAM DESCRIPTIONS

4270 - WELFARE PROGRAMS

The Department's public assistance programs provide financial assistance to California residents who are unable to support themselves. These programs are comprised of five components:

- California Work Opportunity and Responsibility to Kids (CalWORKs)
- Other Assistance Payments, including Foster Care, Adoption Assistance Program, Refugee Cash Assistance, and Food Assistance Programs
- Supplemental Security Income/State Supplementary Payment Program
- County Administration and Automation Projects
- Disaster Relief

The objectives of these programs are to provide temporary financial assistance to eligible needy and dependent persons to enable achievement of self-sufficiency or to provide safe living environments for vulnerable adults and children, and to monitor, administer, and improve the quality of all welfare services.

4270010 - CalWORKs:

The CalWORKs program is California's version of the federal Temporary Assistance for Needy Families program. CalWORKs is California's largest cash aid program for children and families and is designed to provide temporary assistance to meet basic needs, such as shelter, food, and clothing, in times of crisis, while encouraging personal responsibility. CalWORKs includes specific welfare-to-work requirements and provides supportive services, such as child care, to enable an individual to meet these requirements. Child care services currently are provided through a three-stage system to current and former CalWORKs recipients with children through the age of 10 (or up to 12 under certain conditions). Stage One is administered by the California Department of Social Services. Stages Two and Three are administered by the California Department of Education. Parents have the right to choose child care among center-based, family child care homes, or license-exempt providers. CalWORKs families are then able to meet both goals of moving from welfare into the work force and engaging children in child care and development services.

4270019 - Other Assistance Payments:

The Foster Care program provides assistance payments to relatives, foster family homes, foster family agencies, short term residential treatment centers or group homes for children who have been removed from the custody of a parent or guardian as a result of a judicial order or voluntary placement agreement due to findings of abuse, neglect or exploitation. This program is administered by the counties in accordance with regulations, standards, and procedures set by the California Department of Social Services as authorized by federal and state law. The Kinship Guardianship Assistance Program provides support payments to relative guardians of children who were previously in the foster care system.

The Adoption Assistance Program provides financial assistance to families adopting a child with special needs or to facilitate the adoption of children who otherwise would remain in long-term foster care. This program is administered by the counties in accordance with regulations, standards, and procedures set by the California Department of Social Services as authorized by federal and state law.

California also provides cash assistance to eligible refugee/entrant populations via the following programs:

- The Refugee Cash Assistance provides cash grants to refugees/entrants in their first eight months in the United States (U.S.) provided they are not otherwise eligible for categorical welfare programs.
- The Unaccompanied Refugee Minors program provides culturally and linguistically appropriate child welfare, foster care, and independent living services to minors who do not have parents in the U.S., or who enter the U.S. unaccompanied by a parent, an immediate adult relative, or an adult having documentable legal evidence of custody of the minor.
- The Trafficking and Crime Victims Assistance Program provides cash aid and social services to noncitizen victims of human trafficking, domestic violence and other serious crimes who meet the income and eligibility requirements. Benefits are available for a maximum period of eight months for adults without children and up to 48 months for families (under CalWORKs).

The CalFresh Program, formerly known as the Food Stamp Program and federally referred to as the Supplemental Nutrition Assistance Program (SNAP), provides improved levels of nutrition among eligible low-income households by offering them a benefit amount, posted to a debit card, for the purpose of purchasing food. The cost of CalFresh benefits is provided by the United States Department of Agriculture (USDA) for populations eligible to receive federal benefits. Legal immigrants who meet SNAP eligibility criteria but are ineligible for federal benefits due to their immigration status are served under the state-funded program known as the California Food Assistance Program. The CalFresh Employment and Training Program requires certain non-assistance CalFresh recipients to participate in employment and training activities.

The Emergency Food Assistance Program provides USDA commodities to local food banks in all 58 California counties for distribution to the working poor, low-income, unemployed, and homeless persons. The USDA food is distributed to eligible recipients for household consumption or used to prepare and serve meals in congregate settings. This program is also supplemented with food purchased by food banks using private donations, funds provided by the state, taxpayer contributions generated through a state income tax check-off, as well as surplus fresh fruits and vegetables donated by farmers and businesses.

5180 Department of Social Services - Continued

The Commodity Supplemental Food Program is a federally funded program for local non-profit agencies to provide nutritious supplemental USDA foods to low-income, elderly people at least 60 years of age. Administrative responsibility for the Commodity Supplemental Food Program is transferring from the California Department of Education to the California Department of Social Services effective October 1, 2016.

4270028 - Supplemental Security Income/State Supplementary Payment Program:

The federal Supplemental Security Income (SSI) program is a cash assistance program for low income aged, blind, or disabled persons who meet the program's income and resource requirements. California supplements the federal SSI payment with a State Supplementary Payment (SSP). The SSI/SSP program is administered by the Federal Social Security Administration who determines eligibility, computes grants, and disburses the combined monthly payment to recipients.

4270037 - County Administration and Automation Projects:

Federal, state, and county governments share the cost of operating expenses and the salaries and benefits of county staff who administer public assistance programs.

Federal, state, and county funds are used to finance major data automation projects of the California Department of Social Services.

4270046 - Disaster Relief:

The objective of the Disaster Relief Program is to provide monetary assistance to individuals and households who have suffered eligible losses from a Presidentially-declared disaster that are not covered by other federal, state, or private assistance programs.

4275 - SOCIAL SERVICES AND LICENSING

The California Department of Social Services oversees and monitors the administration of social services programs, which include child welfare, adoptions, licensing and special programs. The department is responsible for development of policy, regulations, and procedures that govern the delivery of services to children, families and other recipients, and the monitoring and evaluation of the service delivery system.

4275010 - In-Home Supportive Services:

The In-Home Supportive Services (IHSS) program provides in-home services that enable eligible individuals to remain safely in their own homes as an alternative to out-of-home care. Eligible persons are low-income aged, blind, or disabled individuals who either qualify for federally funded Medi-Cal or meet the program's income and resource requirements. There are four programs that provide in-home care: the Personal Care Services Program, IHSS Plus Option Program, Community First Choice Option, and IHSS-Residual Program.

4275019 - Children and Adult Services and Licensing:

The Children's Services component consists of three major areas: Child Welfare Services, Adoptions, and Child Abuse Prevention.

Child Welfare Services provides emergency response, family maintenance, family reunification, and permanent placement and prevention services to protect abused, neglected or exploited children. The services are provided through an integrated services delivery system that provides intensive services to families to promote child safety, permanency and well-being with the goal of allowing families to stay together in their own homes, or arrangement for the child's placement in the safest and least restrictive home-like setting. Services also include assistance to youth who are emancipating or have emancipated from foster care. The program also provides training and technical assistance to county administrators and staff.

In Child Welfare Services, the California Department of Social Services is implementing continuum of care reforms codified in Chapter 773, Statutes of 2015 (AB 403). The reforms emphasize home-based family care, improve access to services without having to change out-of-home placements to get those services, and increase the role of children, youth, and families in assessment and case planning.

The Adoptions Program provides support services to children and adoptive families through a collaboration of public and private adoption agencies in the state. Agency adoptions provide adoption services through public and private agencies for children who have been abused, neglected or exploited and are under the jurisdiction of the county or tribal court. Services include adoptive placement screening; home studies; reimbursement of non-recurring adoption expenses for adoptive parents; training, recruitment and retention of foster parents; and technical assistance and support for inter-country adoptions. For independent adoptions, the public agency investigates a proposed adoption and provides a report to the court when the biological parents place their children directly with adoptive parents of their choice.

The Child Abuse Prevention Program provides funding, training, and technical assistance for the development and sustainability of child abuse prevention and early intervention programs, education and outreach materials, activities, and services for at risk families and their children.

The Adult Protective Services program provides funding for counties to address reports of physical and financial abuse and neglect or exploitation of elder or dependent adults and provide intervention, as necessary.

The Community Care Licensing Program is a regulatory enforcement program with the responsibility of protecting the health and safety of children and adults residing in or spending a portion of their time in out-of-home care. The program includes facility licensure, prevention, compliance, and enforcement components.

5180 Department of Social Services - Continued

4275028 - Special Programs:

The Special Programs provides funds for Foster Care Burial, Assistance Dog Special Allowance, Access Assistance to the Deaf, Refugee Programs, Immigration and Naturalization Assistance Services and Legal Services for Unaccompanied and Undocumented Minors.

4280 - TITLE IV-E WAIVER

The Title IV-E California Child Well-Being Project is a federal waiver demonstration project in California. This project provides participating counties with a capped federal grant that in turn provides flexibility in the use of federal and state foster care maintenance and administrative funds on program and services expenditures that were previously unallowable.

4285 - DISABILITY EVALUATION AND OTHER SERVICES

The objective of this program is to determine an applicant's medical and/or vocational eligibility for disability benefits and provide administrative services to other agencies.

4285010 - Disability Evaluation:

The Disability Evaluation Program determines the medical, vocational, and/or functional eligibility of California residents applying for benefits under Title II (Disability Insurance), Title XVI (Supplemental Security Income), and Title XIX (Medicaid) of the Social Security Act. Eligibility is determined by the severity of the individual's physical and/or mental impairment(s) and overall ability to engage in substantial gainful employment.
