State Trial Court Funding Total¹⁰	2,553,520,676	-	-	-	2,686,628,000	-	-	-

¹ Reflects the 2014-15 4th quarter Quarterly Financial Statement information submitted by the superior courts. A detailed breakdown of this data can be found in the Report of Trial Court Revenue, Expenditure, and Fund Balance Constraints for Fiscal Year 2014-15. Non-state funding includes local fees and non-fee revenue, enhanced collections and other reimbursements, grants from non-state entities, etc.

² Reflects the filled full-time equivalent positions reported on the Schedule 7As submitted by the superior courts. Does not include judges, who are constitutional officers and not court employees.

³ Reflects the budgets of all 58 superior courts based on courts' 2015-16 Schedule 1 submissions as of December 8, 2015.

⁴ Reflects pending allocations from the Judicial Council. Courts may have budgeted for some of these funds in Section 1 above in anticipation of their allocation.

⁵ GC section 68502.5(c)(2)(B) requires 2 percent of the amount appropriated to FISCAL program code 0150010 (Program 45.10) in the Budget Act to be set-aside by the Judicial Council for allocation to the trial courts "for unforeseen emergencies, unanticipated expenses for existing programs, or unavoidable funding shortfalls". Any amounts unallocated by March 15 are to be returned to the courts pro rata.

⁶ Reflects half of total funding (\$26.9 million). Allocation pending updated workload metrics from the courts related to 2015-16.

⁷ See the "State Trial Court Funding Not Distributed to the Trial Courts" display for more detail. Funds either disbursed on behalf of trial courts, for statewide programs, for judges compensation, or to non-court entities, and as a result are not included in the superior courts' state funding in Section 1.

⁸ See the "State Trial Court Funding Not Distributed to the Trial Courts" display for more detail. These expenses are funded by the trial courts opting to participate in those programs from their "State Funding" revenue distribution amounts reported in Section 1 of the "State and Non-State Trial Court Funding, Expenditures, and Positions" display. Because the funding for these expenses is already included in Section 1, they are subtracted from the total "State Trial Court Funding Not Distributed to Trial Courts" amount used to calculate the total expenditures displayed for "State Trial Court Funding Total".

⁹ For the prior year, primarily reflects a 2015-16 net cash advance of \$24.67 million in June 2015 that was recorded as a 2014-15 state trial court funding expense, but was recorded as a 2015-16 revenue by the trial courts in Section 1. Also recognizes that the revenues courts report individually as received or to be received from the state will not be equal to the "State Trial Court Funding" expenditure amount reported at the state level due to timing and accounting differences. For the current year, this category reflects either differences in local versus state revenue projections, pending court budgets, or unallocated appropriation.

¹⁰ Total state funding for trial courts ties to actual and accrued expenditures for 2014-15 and estimated expenditures for 2015-16 for Program 45 (0150) "State Trial Court Funding" as well as Program 30.15 (0140019) "Trial Court Operations" included in the 2016-17 Governor's Budget.
