<sup>1/</sup> The General Budget Summary includes the revenues and expenditures of all the state funds that reflect the cost of state government and selected bond fund expenditures. The transactions involving other non-governmental cost funds are excluded.

2/ The Reserve for Liquidation of Encumbrances represents an amount which will be expended in the future for state obligations for which goods and services have not been received at the end of the fiscal year. This reserve treatment is consistent with the accounting methodology prescribed by Generally Accepted Accounting Principles (GAAP) and Government Code Sections 13306 and 13307.

<sup>3/</sup> The Special Funds for Economic Uncertainties and the Reserves for Economic Uncertainties are reserve accounts for the General and special funds as provided by Section 5 of Article XIII B of the California Constitution.
