

# State and Consumer Services

The State and Consumer Services Agency's mission is to help educate consumers and make government more efficient, effective, and accountable for all California taxpayers. The Agency is responsible for civil rights enforcement, consumer protection, and the licensing of 2.4 million Californians in more than 255 different professions. Agency entities provide oversight and guidance for the procurement of more than \$9.4 billion worth of goods and services; management and development of state real estate; operation oversight of two state employee pension funds; collection of state taxes; hiring of state employees; provision of information technology services; adoption of state building standards; and administration of two state museums.

## 1100 California Science Center

The Science Center, the Office of Exposition Park Management and the California African American Museum (CAAM), are located in Exposition Park, a 160-acre tract in south Los Angeles, which is owned by the state and collectively known as the California Science Center. Its major exhibit facility opened in February 1998.

The Science Center provides a series of educational exhibits and conducts educational programs focusing on science and technology. The Office of Exposition Park Management provides long-term leadership in the development and implementation of park usage policy and day-to-day management, operation and promotion of the park for its tenants and the public. CAAM researches, collects, preserves and interprets for public enrichment, the history, art and culture of African Americans with emphasis on California and the western United States.

Since department programs drive the need for infrastructure investment, each department has a related capital outlay program to support this need. For the specifics on the California Science Center's Capital Outlay Program, see "Infrastructure Overview."

## **MAJOR PROGRAM CHANGES**

- Delay Science Center Expansion The Governor's Budget proposes to delay the opening of Phase II World of Ecology by one year resulting in General Fund savings of \$1 million in 2008-09 and \$4.1 million in 2009-10.
- Exposition Park Maintenance and Security The Governor's Budget includes \$1.2 million and 5.7 positions for park maintenance projects and enhanced security staffing.
- Exposition Park Funding The Governor's Budget permanently shifts \$700,000 General Fund costs for the maintenance

## PROGRAM DESCRIPTIONS (Program Objectives Statement)

#### 10 - EDUCATION

The Science Center Education program provides a place where children, teachers, and families can explore how science is relevant to their everyday lives. Information is provided through lectures, seminars, films, after school programs, science summer camps, and teaching institutes led by eminent scientists from across the country. Hands-on experiences also introduce scientific principles in the context of the world that surrounds us. It is an approach intended to stimulate curiosity and challenge visitors to think, to question, and to see their world in an entirely new way. The Science Center is administered by a nine-member board of directors appointed by the Governor.

In 2004, the Science Center, in cooperation with the Los Angeles Unified School District, opened the Science Center School (a science- and math-focused elementary charter school) and the Center for Science Learning on-site. The Center for Science Learning offers professional development programs to improve the math and science skills of teachers. The Science Center also includes a 3D IMAX theatre and the Air and Space Gallery.

#### 20 - EXPOSITION PARK MANAGEMENT

The Office of Exposition Park Management is responsible for public safety, parking facilities, park maintenance, and scheduling activities within the park. The program consolidates responsibility for the outstanding and proposed leases and agreements that impact the state's interests, including upgrades of other facilities, the development of playground areas, and ground leases.

#### 30 - CALIFORNIA AFRICAN AMERICAN MUSEUM

CAAM provides a variety of permanent, self-curated, temporary and traveling exhibits, lectures, seminars, film, workshops, educational programs, scholastic curriculums, cultural presentations, and active collection of art, artifacts and historical documents of the art and culture of African Americans. CAAM serves teachers, children, and families of diverse backgrounds through programs that are delivered by curatorial, educational and gallery services staff, trained volunteer docents, and nationally and state recognized artists, historians, scholars, and community leaders. CAAM is governed by a seven-member board of directors appointed by the Governor and is funded in significant part through private contributions from Friends, the Foundation of the California African American Museum.

#### INFRASTRUCTURE OVERVIEW

The California Science Center (CSC) operates in a 245,000 square foot (sf) museum featuring hands-on exhibits and other science learning programs for families, students, and educators. The museum's two themes include the World of Life and the Creative World. The World of Life is a permanent gallery that features exhibits on life processes common to all living things while the Creative World features exhibits which examine the man-made environment and the consequences of human innovation. The CSC also operates the Science Center School (K-5 Los Angeles Unified School District Charter School) and the Center for Science Learning. The museum also contains a museum store, a cafeteria, an IMAX theater, a conference center, special exhibit galleries, and warehouse and office space for CSC staff.

The California African American Museum (CAAM) occupies a 44,000 sf facility that includes three full-size exhibition galleries, a theater gallery, a 14,000 sf sculpture court, a conference center/special events room, an archive and research library, administrative offices, exhibit design, and artifact storage areas.

# 1110 Department of Consumer Affairs Regulatory Boards

The Department of Consumer Affairs (DCA) is responsible for promoting and protecting the interests of millions of California consumers by serving as a guardian and advocate for their health, safety, and economic well-being and by promoting legal and ethical standards of professional conduct. The Department helps to promote good business practices and to ensure that California's consumers receive quality services by establishing minimal competency standards for more than 255 professions involving approximately 2.4 million professionals. The Department is also an important advocate on consumer and business issues. In general, the DCA's Boards and Bureaus provide exams and licensing, enforcement, complaint mediation, and education for consumers.

There are currently 25 boards, a commission, and a committee under the broad authority of the DCA. Four of the boards became bureaus directly under the oversight of the DCA, pursuant to Business and Professions Code 101.1(b), from July 1, 2008 through December 31, 2008. Chapter 35, Statutes of 2008 (AB 1545) extended the sunset date so these boards will be reestablished on January 1, 2009.

Additional information on the Department, and the various boards and bureaus is available at www.dca.ca.gov.

## 1111 Department of Consumer Affairs Bureaus, Programs, Divisions

The Department of Consumer Affairs (DCA) is responsible for promoting and protecting the interests of millions of California consumers by serving as a guardian and advocate for their health, safety, and economic well-being and by promoting legal and ethical standards of professional conduct. The Department helps to promote good business practices and to ensure that California's consumers receive quality services by establishing minimal competency standards for more than 255 professions involving approximately 2.4 million professionals. The Department is also an important advocate on consumer and business issues. In general, the DCA's Boards and Bureaus provide exams and licensing, enforcement, complaint mediation, and education for consumers.

In addition, centralized services are provided by the DCA for efficiency. Specifically, DCA staff investigate complaints against licensees; develop valid examinations for applicants for licensure; monitor and advocate for legislation; provide consumer education and outreach; provide legal and audit services; and provide general administrative support involving personnel, budgeting, accounting, purchasing, and space management.

There are currently 10 bureaus and 1 certification program under the direct oversight of the DCA. Although four current boards became bureaus effective July 1, 2008, pursuant to Business and Professions Code Section 101.1(b), their sunset dates were extended pursuant to AB 1545 (Chapter 35, Statutes of 2008), and will become boards again, effective January 1, 2009.

Additional information on the Department, and the various boards and bureaus is available at www.dca.ca.gov.

#### PROGRAM DESCRIPTIONS (Program Objectives Statement)

### 22 - BUREAU OF BARBERING AND COSMETOLOGY

The Bureau of Barbering and Cosmetology licenses barbers, cosmetologists, electrologists, estheticians, and manicurists after determining, through an examination, that applicants possess the minimum skills and qualifications necessary to provide safe and effective services to the public. The Bureau conducts both routine and directed health and safety inspections of licensed establishments operating in the state. The Bureau also investigates allegations of unprofessional conduct, gross negligence, incompetence, fraud, or unlicensed activity. When warranted, the Bureau takes disciplinary action. The Bureau's mission is to protect consumers from harm by licensees through its licensing and enforcement programs.

Although it became a bureau directly under the Department of Consumer Affairs, effective July 1, 2008, pursuant to Business and Professions Code Section 101.1(b), its sunset date was extended pursuant to AB 1545 (Chapter 35, Statutes of 2008); therefore it will become a board again, effective January 1, 2009.

#### 23 - ARBITRATION CERTIFICATION PROGRAM

The Arbitration Certification Program certifies and monitors arbitration programs offered by new car manufacturers to ensure that they substantially comply with state and federal regulations.

### 24 - HEARING AID DISPENSERS BUREAU

The Hearing Aid Dispensers Bureau licenses and regulates hearing aid dispensers. The Bureau also protects hearing-impaired consumers by informing them of their legal rights and obligations when purchasing or returning hearing aids and protects consumers by maintaining advertising standards.

### 25 - BUREAU OF SECURITY AND INVESTIGATIVE SERVICES

The Bureau of Security and Investigative Services ensures that only those who meet the prescribed qualifications to offer services as private investigators, repossessors, uniformed security guards, private patrol operators, proprietary private security officers, alarm company operators, alarm agents, locksmiths, and firearm and baton training facilities be licensed, and enforces the regulations established by legislation for such licenses.

#### 27 - BUREAU FOR PRIVATE POSTSECONDARY EDUCATION

The former Bureau for Private Postsecondary and Vocational Education (Bureau) became inoperative on July 1, 2007. Chapters 67 and 635, Statutes of 2007, provided the Department limited, interim-operation authority for 2007-08.

The Bureau was established to oversee and approve private postsecondary vocational and degree-granting institutions to ensure they met specified minimum statutory standards concerning the quality of education, ethical and business practices, health and safety, and fiscal responsibility. The Bureau responded to student complaints and oversaw a fund designed to help reimburse a student's tuition if a school closed unexpectedly. The Bureau was also responsible for approving education and training programs for veterans in California.

Chapter 635, Statutes of 2007, established the new Bureau for Private Postsecondary Education (BPPE) within the DCA, however restricts the BPPE from commencing operations unless and until a new statute is enacted that creates a new California Private Postsecondary Education Act. Until reform legislation is enacted, the Governor's Budget display will reflect no budget.

### 28 - BUREAU OF ELECTRONIC AND APPLIANCE REPAIR

The Bureau of Electronic and Appliance Repair registers and regulates all businesses engaged in major home appliance and electronic equipment repair by imposing specific obligations of ethical conduct, honesty, and full and fair disclosure,

<sup>\*</sup> Dollars in thousands

providing certain safeguards to consumers when they need repair services or enter into service contract transactions, and ridding the repair industry of unscrupulous repair dealers and service contractors.

### 31 - BUREAU OF AUTOMOTIVE REPAIR

The Bureau of Automotive Repair administers two major programs in automotive repair markets that protect the consumer: the Automotive Repair Program and the Smog Check Program. Both programs are designed to protect consumers in the automotive repair marketplace, promote consumer education, and discipline unethical service dealers and technicians. In addition, through the Smog Check Program, BAR administers the nation's largest motor vehicle emissions reduction program. The Bureau also administers the Consumer Assistance Program, which provides financial assistance to eligible consumers whose vehicles fail a biennial Smog Check inspection.

### 34 - BUREAU OF HOME FURNISHINGS AND THERMAL INSULATION

The Bureau of Home Furnishings and Thermal Insulation regulates the manufacture, distribution, and sale of upholstered furniture, bedding, and thermal insulation products sold in California to ensure they meet health, safety, and flammability standards.

#### 35 - CONSUMER AFFAIRS ADMINISTRATION

### 35.10.010 - Administrative and Information Services Division:

To maximize the efficiency and effectiveness in the delivery of services, ensure proper oversight and accountability, and minimize duplication of effort, the Department centralizes several functions that support the administration and implementation of the goals of the regulatory boards and bureaus. Services include policy direction, legal assistance, review of legislation, examination validation and assistance, information technology, accounting, budgets, personnel and other administrative functions.

### 35.10.015 - Office of Public Affairs:

### 35.10.020 - Consumer and Community Relations Division:

The Consumer and Community Relations Division is responsible for operation of the Consumer Information Center and the Complaint Mediation Program. The Consumer Information Center, through its toll-free telephone number, operates a call center. The center assists consumers and licensees by distributing publications, and applications for licensure and providing referrals to other consumer resources. The Center also responds to written correspondence and conducts outreach to inform and protect consumers about marketplace trends and represents consumer interests at local, state and federal levels. The complaint Mediation Program mediates consumer complaints against licensees and registrants regulated by the bureaus of the Department of Consumer Affairs. The Complaint Mediation Program participates in statewide consumer outreach at fairs and other community events. The Program conducts informational presentations for community and civic groups, schools and other interested groups.

### 35.10.025 - Division of Investigation:

The Division of Investigation is vested with the statutory authority to investigate and enforce the laws administered by the client agencies within the Department to protect the health, safety, and welfare of consumers. The Division employs sworn armed peace officers to provide objective, timely, and cost-effective investigative services for its client agencies.

### 36 - DENTAL BUREAU OF CALIFORNIA

The Dental Bureau of California establishes minimal standards of competency for those individuals seeking to practice as a dentist, registered dental hygienist, registered dental assistant, dental auxiliary in extended function, or dental hygienist in alternative practice. The Bureau enforces standards to protect California dental consumers from incompetent dental practitioners, and the utilization of dental auxiliaries contributes to providing quality dental services to Californians.

Although it became a bureau directly under the Department of Consumer Affairs, effective July 1, 2008, pursuant to Business and Professions Code Section 101.1(b), its sunset date was extended pursuant to AB 1545 (Chapter 35, Statutes of 2008); therefore it will become a board again, effective January 1, 2009.

### 37 - TELEPHONE MEDICAL ADVICE SERVICES BUREAU

The Bureau ensures that providers of telephone medical advice are qualified licensed health-care professionals, informs patients of their rights, and pursues any reported harmful activities.

#### 38 - CEMETERY AND FUNERAL BUREAU

The Cemetery and Funeral Bureau ensures that only qualified applicants receive licenses to operate cemeteries, crematories or funeral establishments, or act as funeral directors, embalmers, apprentice embalmers, cremated remains disposers, cemetery managers, crematory managers, cemetery brokers or salespeople. The Bureau also ensures that licensees comply with applicable rules and regulations concerning the management of trust funds, permanence of mausoleums and columbariums, and the proper handling of human remains.

### 39 - BUREAU OF NATUROPATHIC MEDICINE

<sup>\*</sup> Dollars in thousands

The Bureau of Naturopathic Medicine implements and enforces the Naturopathic Doctors Act by licensing and regulating naturopathic doctors in California. The Bureau ensures that naturopathic doctors meet required educational and practice standards before licensure and investigates complaints against its licensees, disciplining those individuals found guilty of violations of law or regulation.

### 40 - OFFICE OF PRIVACY PROTECTION

The California Office of Privacy Protection serves as a statewide resource for consumer information and assistance on identity theft and other privacy issues. The Office also assists local, state, and federal law enforcement by providing training on privacy issues and by coordinating with them in investigations, works with businesses and other organizations to define and encourage sound privacy protection practices and reports on trends in consumer privacy problems and issues. Chapter 183, Statutes of 2007 (SB 90) moved the Office of Privacy Protection to the State and Consumer Services Agency effective January 1, 2008.

### 65 - SPEECH-LANGUAGE PATHOLOGY AND AUDIOLOGY BUREAU

The Speech-Language Pathology and Audiology Bureau licenses and regulates Speech-Language Pathologists and Audiologists. Thousands of California citizens experience congenital or acquired speech, language, hearing, swallowing and balance disorders. The Bureau protects consumers by requiring adherence to statutes and regulations designed to ensure the qualifications and competency of providers of speech-language pathology and audiology services. In addition to ensuring minimum educational requirements, the Bureau oversees a continuing professional development program to maintain clinical relevance. The Bureau is also responsible for protecting consumers from unlicensed, incompetent and unethical practitioners by investigating complaints regarding possible violations of the laws and regulations.

Although it became a bureau directly under the Department of Consumer Affairs, effective July 1, 2008, pursuant to Business and Professions Code Section 101.1(b), its sunset date was extended pursuant to AB 1545 (Chapter 35, Statutes of 2008); therefore it will become a board again, effective January 1, 2009.

### 89 - PROFESSIONAL FIDUCIARIES BUREAU

The Professional Fiduciaries Bureau, established pursuant to Chapter 491, Statutes of 2006, implements and enforces the Professional Fiduciaries Act by licensing and regulating individuals who act as professional fiduciaries in California. The Bureau protects against fraud and abuse by those who are charged with the care of California's most vulnerable residents by ensuring that minimum competency standards are met by establishing educational and experience requirements, conducting examinations, investigating violations of professional ethics and law, and disciplining licensees when appropriate.

### 91 - BUREAU OF VOCATIONAL NURSING AND PSYCHIATRIC TECHNICIANS OF THE STATE OF CALIFORNIA

The Bureau of Vocational Nursing and Psychiatric Technicians' mission is to protect the public. Public protection is paramount to the Bureau and its highest priority in exercising its licensing, regulatory and disciplinary functions. Toward this end, the Bureau ensures that only qualified persons are licensed vocational nurses and psychiatric technicians by enforcing education requirements, standards of practice and by educating consumers of their rights.

Although it became a bureau directly under the Department of Consumer Affairs, effective July 1, 2008, pursuant to Business and Professions Code Section 101.1(b), its sunset date was extended pursuant to AB 1545 (Chapter 35, Statutes of 2008); therefore it will become a board again, effective January 1, 2009.

# 1760 Department of General Services

The Department of General Services provides centralized services to state agencies in the following areas: telecommunications; management of state-owned and leased real estate; approval of architectural designs for local schools and other state-owned buildings; printing services; procurement of commodities, services, and equipment for state agencies; and maintaining the state's vehicle fleet. Furthermore, the Department of General Services employs practices that support the Governor's green initiative to reduce energy consumption and help preserve California resources. The Director of General Services also serves on several state boards and commissions.

Because department programs drive the need for infrastructure investment, each department has a related capital outlay program to support this need. For the specifics on the Department of General Services' Capital Outlay Program, see "Infrastructure Overview."

## **PROGRAM DESCRIPTIONS (Program Objectives Statement)**

## 10 - BUILDING REGULATION SERVICES

With a multi-billion dollar annual investment in facilities for state offices and public schools, centralized responsibilities for inspection and approval are needed. This is achieved in the following ways: (a) Assuring protection of lives and property in public buildings through plan review and field supervision; (b) Ensuring that facilities constructed with state funds are accessible to the physically handicapped; (c) Developing uniform public health and safety regulations for state and public building construction; (d) Administering the State School Facility Program, which provides financial assistance to school districts for the development of school sites, construction, and modernization or replacement of school buildings; and (e) Adopting, codifying and publishing building standards for design and construction throughout California.

### 15 - REAL ESTATE SERVICES

Centralized responsibilities for leasing, planning, acquisition, design, construction, maintenance, and operation are needed to ensure quality, avoid redundancy, and deliver property and facilities at the lowest possible cost. This is achieved by: (a) Providing adequate space for state operations at a cost below that which each agency could provide for itself; (b) Assuring protection of lives and property in public buildings through progressive design and proactive construction inspection; (c) Selecting the most qualified firms (both internal and external) to design and construct high quality facilities for other state departments to deliver their programs to the citizens of California; (d) Acquiring, managing, and disposing of real property assets for state agencies, and providing public service facilities with economy of operations and uniform practices for

protecting the public's interests and ensuring equitable treatment of private property owners; and (e) Preserving the state's capital investment in buildings, grounds, and equipment through an efficient and effective centralized maintenance and operations program.

### 20 - STATEWIDE SUPPORT SERVICES

To fulfill their program responsibilities, state agencies require support services for business transactions and activities which are basic to their organizational functions. These operational requirements include procurement of materials, communication, transportation, printing, and related business and office services. Other state agency support requirements include consulting services for legal contracts and insurance management. Additionally, licensing agencies require services of hearing officers for alleged violations by license holders. These diverse services are more effectively and economically provided under a consolidated program which centralizes resources, capabilities, talents, and facilities for efficient response to support requirements of client state agencies.

### **INFRASTRUCTURE OVERVIEW**

The Department of General Services (DGS) is responsible for approximately 37.4 million square feet (sf) of space that supports a variety of state programs and functions. Of this amount, approximately 18.1 million sf is attributable to DGS-owned facilities and 19.3 million sf to DGS-managed leases. The DGS has control and jurisdiction over 52 office buildings totaling approximately 14.5 million sf, the Central Heating and Cooling Plant, the State Printing Plant, three state-owned, stand-alone parking structures in Sacramento, housing units and retail businesses managed by the Capitol Area Development Authority, the State Records Warehouse, and a large network of public emergency communications systems maintained, supported, and managed by the DGS Telecommunications Division.

### **MAJOR PROJECT CHANGES**

 The Governor's Budget proposes \$5.2 million various funds for the construction phase of the seismic renovation at the California Institution for Women Walker Clinic and Infirmary in Frontera, California. The project will correct critical infrastructure deficiencies that pose the greatest risk to the occupants in a seismic event.

## PROGRAM DESCRIPTIONS (Program Objectives Statement)

### 11 - CITIZENS INDEMNIFICATION

This program reimburses certain expenses of victims of crime in California who are injured or threatened with injury and suffer financial hardship as a direct result of a violent crime. The victim of a qualifying crime, and eligible family members, may file a claim with the VCGCB for program benefits.

### 12 - QUALITY ASSURANCE AND REVENUE RECOVERY DIVISION

This program serves victims of crime in California by maintaining the fiscal stability of the Restitution Fund through the recovery of monies owed from restitution fines and orders. The Division's primary emphasis is to educate the criminal justice community (the judiciary, district attorneys, chief probation officers, and court administrators) on the importance of the consistent imposition and collection of restitution fines and orders. The program also partners with the Department of Corrections and Rehabilitation, the Franchise Tax Board, and the Attorney General's Office on restitution-related activities.

#### 31 - CIVIL CLAIMS AGAINST THE STATE

This program receives, investigates, and processes claims for money or damages filed against the state.

## 41 - CITIZENS BENEFITING THE PUBLIC

This program reimburses persons for certain expenses who sustained injury or losses as a result of a direct action that benefited the public, such as the prevention of a crime or a rescue of a person in immediate danger of injury or death (Good Samaritans).

### 71 - COUNTIES' SPECIAL ELECTION REIMBURSEMENTS

This program provides reimbursement for expenses authorized and necessarily incurred in conducting special elections proclaimed by the Governor to fill a legislative vacancy at the federal or state level.

# 1900 Public Employees' Retirement System

The California Public Employees' Retirement System (CalPERS) administers retirement and health benefits for approximately 1.6 million active employees and retirees of state and local agencies in California. Benefits include retirement, disability, and survivor's retirement benefits; Social Security for state employees; and the development, negotiation, and administration of contracts with health maintenance organizations, group hospitals, and medical insurance plans. In addition, CalPERS administers a long-term care program for members and eligible individuals.

CalPERS is governed by a Board of Administration. The California Constitution provides that the Board of Administration has authority over the administration of the retirement system; therefore, the budget data presented here is for informational purposes only, with the exception of the component of the Health Benefits Program funded from the Public Employees' Contingency Reserve Fund.

### PROGRAM DESCRIPTIONS (Program Objectives Statement)

#### 10 - RETIREMENT

Through this program, California Public Employees' Retirement System (CalPERS) provides retirement planning education, service and disability retirement, refunds, and survivor and death benefits for employees of California public employers. CalPERS provides special benefits based on death or disability incurred in the line of duty for members in certain occupations. As of June 30, 2008, there were 1,126,133 active and inactive members and 476,252 retirees/survivors/beneficiaries under the CalPERS system.

Basic retirement benefits are generally based upon three factors: age at retirement, years of service, and final compensation. There are different formulas for each of the member categories, such as Miscellaneous, Industrial, Peace Officer/Firefighter, California Highway Patrol, and Safety. Over 50 contract options are available to local cities, counties, and districts that contract with CalPERS. Benefits are modified by the selection of one of several options and by the employee's membership category. A member's retirement and death benefits are determined by contract provisions.

As of June 30, 2008, there were 2,626 public agency and school district employers providing CalPERS retirement, death, and survivor benefits to California public employees. CalPERS benefits are transferable for members who continue their careers with many other public employers in California as a result of agreements between CalPERS and other public agency retirement systems.

CalPERS also administers the Legislators' and Judges' Retirement Systems.

### 30 - HEALTH BENEFITS

Through this program, CalPERS contracts with health maintenance organizations, claim administrators, employee associations, and others to provide health and long term care insurance for state, California State University, and local Public Agency employees, retirees, and their dependents. The program negotiates and monitors health plan contracts; develops cost-effective programs; provides enrollment services to members and employers; meets and confers with employee organizations and employer representatives; maintains demographic and statistical information systems; establishes standards for Basic, Supplement to Medicare, and Managed Medicare health plans; establishes and maintains health benefits coverage for eligible employees and retirees; establishes coverage for public agencies; provides accurate and timely accounting for participating agencies and serves as an impartial intermediary between CalPERS enrollees and insurance carriers in resolving claim and service disputes.

### 40 - INVESTMENT OPERATIONS

Through this program, CalPERS invests funds in various investment categories (stocks, bonds, real estate, etc.) for the purpose of minimizing the employers' contributions to the system needed to provide benefits to active participants, retired members, and their beneficiaries. Since CalPERS' establishment in 1932 the System's assets have grown from \$800,000 to a total of \$239.2 billion, as of June 30, 2008.

## 50 - ADMINISTRATION

Through this program, CalPERS provides executive direction, specialized information, and administrative support necessary to administer all CalPERS programs. The various services include: Audits, Diversity Outreach, Executive, Fiscal Services, Human Resources, Information Technology Services, Legal, Enterprise Compliance, Governmental Affairs, Operation Support, Strategic Management Services, Public Affairs, and the Information Security Office.

#### **PROGRAM DESCRIPTIONS (Program Objectives Statement)**

10 - SERVICE TO MEMBERS AND EMPLOYERS

<sup>\*</sup> Dollars in thousands

The primary functions of the California State Teachers' Retirement System (CalSTRS) are as follows:

- Maintain a financially sound retirement system.
- Maintain an efficient operational system for the administration of CalSTRS.
- Continuously improve the delivery of benefits, products and services to CalSTRS members.
- Develop and improve upon benefits and products to CalSTRS members.

The Teachers' Retirement Board (Board) has exclusive control over the investment and administration of the Teachers' Retirement Fund. The Board makes rules, sets policies, and has the power and authority to hear and determine all facts pertaining to application for benefits under the retirement system. The twelve-member Board consists of four ex-officio members, including the Superintendent of Public Instruction, the State Treasurer, the State Controller, and the Director of Finance. The Governor-appointed members of the Board include three Public Members, one retiree of CalSTRS, one school board member or community college trustee. Three representatives are elected by active CalSTRS members.

Income to the CalSTRS is derived from contributions from members and employing school districts, appropriations from the General Fund, and investment earnings (see 6300-Teachers' Retirement System Contributions for state contributions for benefits). The cost of administration is paid from the Teachers' Retirement Fund as provided in Section 22304 of the Education Code.

The CalSTRS is responsible for the determination and payment of benefits to members, retirees, and their beneficiaries, and for the distribution of information to all members, employers, and other interested groups. The CalSTRS Defined Benefit Program includes service retirement, benefits for survivors, and disability benefits. The basic retirement allowance is determined on the basis of a member's age, years of credited service, and final compensation. The member may modify the basic allowance by selecting a joint and survivor annuity option to provide benefits for their beneficiary after the member dies. Generally, the payments of benefits are made within 30 days following the effective date of the member's retirement.
